Complete the Following Steps Below to Get Started:

1. Click on the URL above to view your custom website.
2. Click **Register**
3. Read the License Agreement and Privacy Policy and click **I Accept**
4. Under **Do You Have a Pearson Education Account:**
 - a. **If Yes** – fill in your username and password (TIP! Choosing “Yes” and using your existing account will allow you to use the same username and password you use for your other Pearson products)
 - b. **If No** – Create a username and password per the guidelines provided.
 - c. **If Not Sure** – Enter your email address and click **Search**
5. Redeem the educator access code below, which is required in order for you to access the site and related instructor assets. **EDUCATOR ACCESS CODE: DEWGKD-NEUSS-BUOYS-DAHNA-ELVIS-TRIES** (NOTE: This code is good for 30 educator registrations)
6. Follow the on-screen instructions.
7. Upon successful registration, you will receive confirmation screen and e-mail. Close confirmation screen, and go back to URL to login. Please retain your login name and password for future access to the site.
 - a. See “**Pearson_eText_Instructions.doc**” for information on how to set up your eText course. Setting up a course allows you to later share any notes and highlights you may create in the eText platform with your students. You must communicate the course ID with your students, so that they can “subscribe” to the course and view any shared notes, highlights or additional material that you might add.
8. If you are the coordinator or lead instructor for this site, it is **highly recommended** that you redeem one of the student access codes below to ensure that you are familiar with the student registration process. **PLEASE NOTE:** If you are redeeming a student code, please let your

colleagues know which student code you redeemed. This will prevent instructors from trying to redeem the same student code. **Student Access Codes:**
